Purpose of Test: \_\_\_\_\_

NOTICE IS HEREBY GIVEN THAT AN AQUIFER TEST WILL BE CONDUCTED

ON \_\_\_\_\_ BEGINNING AT \_\_\_\_\_ AM PM

For the purpose of testing water quantity and observing any impacts resulting from groundwater extraction during the test. This test shall continue for a period of 72-hours from the time the test is begun. If you notice any change in your well level or any other condition that indicates that your well is being affected by this test, you should immediately notify:

**Mendocino City Community Services District  
P. O. Box 1029, 10500 Kelly St., Mendocino, CA 95460**

**Tel. # (707) 937-5790 or (707) 937-5751**

If this notice is being mailed to you, your property is considered hydrologically contiguous to the test site, and you may request that your well be included in the monitoring process. Surrounding property owners who feel that their wells may be hydrologically contiguous may request that their wells be included in the monitoring process. Such requests shall be made to the District at least 72-hours prior to the pump test. The person conducting the aquifer test will pay for any expense related to this monitoring.
