

**RESOLUTION NO. 2020-271**  
**RESOLUTION OF THE MENDOCINO CITY COMMUNITY SERVICES DISTRICT**  
**TO DECLARE A STAGE 4 WATER SHORTAGE EMERGENCY CONDITION**

**WHEREAS**, in 1987, the California Legislature passed Water Code Section 10700 – 10717, as outlined in Assembly Bill No. 786, which provided the Mendocino City Community Services District (MCCSD) with the authority to establish programs for the management of groundwater resources within the District boundaries; and

**WHEREAS**, in 1990, the Mendocino City Community Services District assumed responsibility for groundwater management within the District boundaries; and

**WHEREAS**, on May 11, 2020, the Mendocino City Community Services District adopted a Water Shortage Contingency Plan to protect and conserve the groundwater resources within its boundaries; and

**WHEREAS**, due to current drought conditions and a diminishing groundwater supply, a significant reduction in water demand is required to ensure an adequate groundwater supply to customers within the MCCSD service area; and

**WHEREAS**, the Board of Directors of the MCCSD has the authority and responsibility to adopt voluntary and mandatory water conservation and water demand reduction measures within its area of service.

**NOW, THEREFORE, IT IS RESOLVED**, that the Board of Directors of the MCCSD declares that under the current water shortage conditions, a Stage 4

Water Shortage Emergency Condition exists within the area served by the MCCSD.

**BE IT FURTHER RESOLVED**, that the Board of Directors of the MCCSD directs the District Superintendent to implement a program of water demand management as defined in the MCCSD Water Shortage Contingency Plan under Stage 4.
